

SPA RULES

- When lifeguards or attendants are not present:
 - Children age 12 and under need to be accompanied by responsible adult (age 18 & over) at all times the child is at the spa
 - Bathers age 13-17 must not use spa alone
- Children age 5 and under should not use spa
- Bathers wearing diapers need to have tightfitting protective coverings
- Diapers must be changed in a designated diaper changing area or restrooms
- Women who are or might be pregnant should seek physician's advice before use of spa
- Bathers suffering from heart disease, diabetes, or high blood pressure should consult a physician before using spa
- Bathers with seizure, heart or circulatory problems are advised to swim with a buddy
- Spa use should be limited to fifteen minutes at any one session
- No running on deck or horseplay in spa
- Do not use spa when under the influence of alcohol or drugs
- No food or drinks are allowed in the spa water
- If you have a communicable disease that can be transmitted by water or have been ill with diarrhea or vomiting in last two weeks, do not use the spa
- A cleansing shower is required before using spa
- Persons failing to follow rules are subject to removal from the premises
